

Why are you looking for a new job?

Let's take a quick look at why you are about to throw yourself into the job market and see what other options you have.

- You worry about getting fired, we worry about you resigning
- Before you do anything ask why you are looking to change?
- Stay where you are - don't job hop.
- Define what the problem is? What can you change so you don't have to move?
- Is it really just the money? Make a case for a salary increase.
- What things can you do to keep your job? Half an hour early, discretionary effort, look for improvements, etc.
- Redundancies – Positions not people. Make sure your position is adding value
- Change of circumstances – moving locations, returning to work,
